

Aquatic Invasive Species Control Zones

Aquatic Invasive Species Control Zone

- Betula Lake/White Lake/Jessica Lake Control Zone
- Lake Manitoba/Fairford River/Lake St. Martin Control Zone
- Red River/Lake Winnipeg/Nelson River Control Zone
- Saskatchewan River/Cedar Lake Control Zone
- Shoal Lake Control Zone
- The Lake of the Woods (Buffalo Bay) Control Zone
- Winnipeg River Control Zone

Note: Control zones include the portion of each tributary that flows into a control zone waterbody, from the mouth of the tributary to the point upstream at which the tributary is not navigable.
