

# AQUATIC INVASIVE SPECIES-RESOURCE REQUEST FORM

This form is used to request available digital and physical resources that the Manitoba government has developed that relate to aquatic invasive species prevention. Once a resource request has been made, provincial staff will connect to confirm the requested resource is the most appropriate to meet the partner's needs.

To submit a request, please email completed request forms to [AIS@gov.mb.ca](mailto:AIS@gov.mb.ca).

Please fill out below and include as much information as possible when requesting specific resources.

## Section 1 - Contact Information

Organization Name:

Organization Mailing Address:

City/Town:
