The Public Health Agency of Canada has developed COVID-19 guidance documents for a number of sectors, which can be found online at [Guidance documents](#).

Information specific to children and youth settings has been developed that may support your continued planning to ensure safe services for children, staff and parents. If you are interested in this supplemental information, please visit: [Risk mitigation tool for child and youth settings operating during the COVID-19 pandemic](#).

In addition, you may find this document developed for communities useful: [Risk mitigation tool for outdoor recreation spaces and activities operating during the COVID-19 pandemic](#).

For the most up-to-date information in Manitoba and child care services, please regularly visit [www.manitoba.ca/covid19/infomanitobans/childcare.html](http://www.manitoba.ca/covid19/infomanitobans/childcare.html).

Thank you for your ongoing commitment to supporting children, families and communities as part of the provincial COVID-19 response.
