

Information for Pharmacists

**Claims Submission Procedure -
List of Oral Oncology Drugs Dispensed at CancerCare Manitoba**

Effective August 1, 2018

**Please include this Procedure in your Drug
Programs Information Network (DPIN) Manual
under Section 4: Claims Submission.**

- The Home Cancer Drug (HCD) Program was established on April 19, 2012 and provides Manitobans diagnosed with cancer access to eligible outpatient oral cancer and specific supportive drugs listed on the HCD Program Drug Benefits List - at no cost.
- Due to the complexities associated with some oral oncology drugs (i.e. those with Health Canada Requirements, those with narrow therapeutic indexes etc.) CancerCare Manitoba will be solely responsible for dispensing drugs noted on the List of Oral Oncology Drugs Dispensed at CancerCare Manitoba which can be found here: <http://www.gov.mb.ca/health/pharmacare/healthprofessionals.html>

If your questions are not answered by reviewing the Claims Submission Procedures and FAQs posted at: <https://www.gov.mb.ca/health/pharmacare/healthprofessionals.html>

Please send an e-mail to PDPIInfoAudit@gov.mb.ca.
