

BETTER EDUCATION STARTS **TODAY**

PUTTING STUDENTS FIRST

The vision is for all Manitoba students to succeed, no matter where they live, their background, or their individual circumstances.

Within the next **five years**, the Manitoba government's goal is to ensure our students have the **most improved performance in Canada**. We will build a consistent and aligned provincial education system that is student-centred, parent-friendly, classroom-focused, and accountable for results.

Governance and Accountability for Results

Excellence in Teaching and Leadership

OUR FUNDING GUARANTEE

All savings that result from changes will be shifted to support classroom learning (estimated to be up to \$40 million).

Manitoba will **move away from funding education through property taxes and make additional investments** in education: \$1.6 billion over four years.

We will fulfill our promise of **20 new schools**.
