

Possible Public Exposures to COVID-19 in the Winnipeg Regional Health Authority

School Exposures - September 25 - October 30 2020

Location	Dates/Times	Exposure
St. John's High School (401 Church Ave)	October 30, 2020	November 12, 2020 - Letter to Parents/Guardians (pdf)
Centre Scolaire Léo-Rémillard (1095 St Anne's Rd.)	October 30, 2020	An additional confirmed case of COVID-19 was present in the school Oct. 30 when the individual may have been infectious. As previously reported, the school has been placed at the "orange" level on the Manitoba Pandemic Response System. The affected cohort has been advised to start self-isolation (quarantine). Students in all affected cohorts are scheduled to return to school in person by November 12, 2020 if they have been released by public health, except for one affected cohort where students will be returning to school next week.
École Belmont (525 Belmont Av.)	October 30, 2020	A confirmed case of COVID-19 was in the school on Oct. 30 when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk overall for the school community. The infection is not believed to be acquired at school. Individuals in the classes are advised to monitor for symptoms and seek testing if symptoms develop. Close contacts of the case have also been identified and advised to self-isolate (quarantine).
Governor Semple School (150 Hartford Ave.)	October 30, 2020	November 8, 2020 - Letter to Parents/Guardians (pdf)
Linden Christian School (877 Wilkes Ave.)	October 30, 2020	November 8, 2020 - Letter to Parents/Guardians (pdf)
École Lacerte (101, promenade Autumnwood)	October 30, 2020	November 6, 2020 - Letter to Parents/Guardians (pdf)

R.F. Morrison School (25 Morrison St)	October 30, 2020	November 6, 2020 - Letter to Parents/Guardians (pdf)
Marymount School (442 Scotia St.)	October 30, 2020	November 5, 2020 - Letter to Parents/Guardians (pdf)
St. John's High School (401 Church Ave.)	October 30, and November 2, 2020	November 8, 2020 - Letter to Parents/Guardians (pdf)
Maples Collegiate (1330 Jefferson Ave)	October 30 and November 2, 2020	November 16, 2020 - Letter to Parents/Guardians (pdf)
Sisler High School (1360 Redwood Ave.)	October 30 and November 2, 2020	A confirmed case of COVID-19 was in the school on Oct. 30 and Nov. 2 when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk overall for the school community. The infection is not believed to be acquired at school. At this time, no close contacts have been identified at Sisler High School. No one is required to self-isolate from this exposure. The cohort must self-monitor for symptoms and seek testing if symptoms develop.
Gordon Bell High School (3 Borrowman Pl.)	October 29, 30, and November 2, 2020	November 11, 2020 - Letter to Parents/Guardians (pdf)
Freedom International School (771 Sargent Ave.)	October 29 to November 6, 2020	A confirmed case of COVID-19 was in the school from Oct. 29 until Nov. 6 when the individual may have been infectious.
Minnetonka School (200 Minnetonka St.)	October 29 and 30, 2020	November 9, 2020 - Letter to Parents/Guardians (pdf)
Shamrock School, 831 Beaverhill Blvd (Shamrock School, 831 Beaverhill Blvd.)	October 29 and 30, 2020	November 8, 2020 - Letter to Parents/Guardians (pdf)
École Varennes (22 Varennes Ave.)	October 29 and 30, 2020	A confirmed case of COVID-19 was in the school on Oct. 29 and 30 when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk overall for the school community. The infection is not believed to be acquired at school. At this time, no close contacts have been identified. No one is required to self-isolate from this exposure. Anyone who was in same cohort is recommended to self-monitor for symptoms and seek testing if symptoms develop.

<p>Collège Miles Macdonell Collegiate (757 Roch St.)</p>	<p>October 29 and 30, 2020</p>	<p>A confirmed case of COVID-19 was in the school on Oct. 29 and 30, 2020 when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk overall for the school community. The infection is not believed to be acquired at school. At this time, no close contacts have been identified at Collège Miles Macdonell Collegiate. No one is required to self-isolate from this exposure. Anyone who was in the cohort is recommended to self-monitor for symptoms and seek testing if symptoms develop.</p>
<p>Sister Macnamara School (460 Sargent Ave.)</p>	<p>October 29 and 30, 2020</p>	<p>A confirmed case of COVID-19 was in the school on Oct. 29 and 30 when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk overall for the school community. The infection is not believed to be acquired at school. This case is not believed to be linked with the cases announced on November 4. Anyone who was in the same class is recommended to self-monitor for symptoms and seek testing if symptoms develop. Close contacts of the cases have been identified and advised to self-isolate (quarantine).</p>
<p>École Seven Oaks Middle School (800 Salter St.)</p>	<p>October 29 and 30, 2020</p>	<p>An additional confirmed case of COVID-19 was present in the school on Oct. 29 and 30 when the individual may have been infectious. An investigation is ongoing to determine if there is a link with any of the previous cases. Based on the public health investigation, this exposure was assessed to be low risk overall for the school community. Classroom contacts are being advised to self-isolate (quarantine) or monitor for symptoms and seek testing if symptoms develop.</p>
<p>Riverbend Community School (123 Red River Blvd.)</p>	<p>October 29 and 30, 2020</p>	<p>November 5, 2020 - Letter to Parents/Guardians (pdf)</p>

École Salisbury Morse Place School (795 Prince Rupert Ave.)	October 29 and 30, 2020	November 5, 2020 - Letter to Parents/Guardians (pdf)
Collège Louis-Riel (585, rue Saint-Jean-Baptiste)	October 29 and 30, 2020	November 5, 2020 - Letter to Parents/Guardians (pdf)
Arthur A. Leach School (1827 Chancellor Dr.)	October 29 and 30, 2020	November 5, 2020 - Letter to Parents/Guardians (pdf)
St. John's-Ravenscourt (400 South Dr.)	October 29 and 30, 2020	November 4, 2020 - Letter to Parents/Guardians (pdf)
Daniel McIntyre Collegiate (720 Alverstone St.)	October 29, 2020	A confirmed case of COVID-19 was in the school on Oct. 29 when the individual may have been infectious. The infection is not believed to be acquired at school. The public health investigation does not suggest a link between this case and the previously announced cases at the school. At this time, no close contacts have been identified at Daniel McIntyre Collegiate. No one is required to self-isolate from this exposure. Anyone who was in same cohort is recommended to self-monitor for symptoms and seek testing if symptoms develop.
Kelvin High School (155 Kingsway)	October 28, 2020	November 10, 2020 - Letter to Parents/Guardians (pdf)

Winnipeg Adult Education Centre (310 Vaughan St)	October 28, and November 2, 2020	November 6, 2020 - Letter to Students (pdf)
Archwood School (800 Archibald St.)	October 28, 29 and 30, 2020	November 10, 2020 - Letter to Parents/Guardians (pdf)
École Stanley Knowles School (2424 King Edward St.)	October 28, 29 and 30, 2020	November 5, 2020 - Letter to Parents/Guardians (pdf)
École Sage Creek School (315 Sage Creek Blvd.)	October 28 to 30, and November 2 to 5, 2020	November 13, 2020 - Letter to Parents/Guardians (pdf)
Windsor School (80 Cunnington Ave)	October 28 and 30, 2020	November 3, 2020 - Letter to Parents/Guardians (pdf)

Isaac Brock School (1265 Barratt Ave.)	October 28 and 29, 2020	A confirmed case of COVID-19 was in the school on Oct. 28 and 29 when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk overall for the school community. The infection is not believed to be acquired at school. At this time, no close contacts have been identified. No one is required to self-isolate from this exposure. Anyone who was in same class is recommended to self-monitor for symptoms and seek testing if symptoms develop.
Elmwood High School (505 Chalmers Ave.)	October 28 and 29, 2020	A confirmed case of COVID-19 was in the school on Oct. 28 and 29, 2020 when this individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk overall for the school community. Classroom contacts are being advised to monitor for symptoms and seek testing if symptoms develop. Close contacts of the case have also been identified and advised to self-isolate (quarantine).
Collège Sturgeon Heights Collegiate (2665 Ness Ave.)	October 27, November 2 and 4, 2020	November 6, 2020 - Letter to Parents/Guardians (pdf)
Linden Christian School (877 Wilkes Ave.)	October 27, 28 and 29, 2020	November 5, 2020 - Letter to Parents/Guardians (pdf)
École Belmont (525 Belmont Ave)	October 27, 28 and 29, 2020	A confirmed case of COVID-19 was in the school on Oct. 27, 28 and 29 when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk overall for the school community. The infection is not believed to be acquired at school. Close contacts are advised to self-isolate and seek testing if symptoms develop.
Andrew Mynarski VC (1111 Machray Ave.)	October 27 to 30, and November 3 and 4, 2020	November 10, 2020 - Letter to Parents/Guardians (pdf)
Transcona Collegiate (1305 Winona St.)	October 27 to 29, 2020	November 8, 2020 - Letter to Parents/Guardians (pdf)

Garden City Collegiate (711 Jefferson Ave.)	October 27 to 29, 2020	November 6, 2020 - Letter to Parents/Guardians (pdf)
Gladstone School (500 Gertrude Ave)	October 27 to 29, 2020	November 4, 2020 - Letter to Parents/Guardians (pdf)
Minnetonka School (200 Minnetonka St.)	October 27 and 30, 2020	A confirmed case of COVID-19 was in the school on Oct. 27 and 30 when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk overall for the school community. Anyone identified as a close contact will be contacted and provided instructions for self-isolation (quarantine).
Linden Christian School (877 Wilkes Ave.)	October 27 and 29, 2020	A confirmed case of COVID-19 was in the school on Oct. 27 and 29 when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk. The infection was not believed to be acquired at school. At this time, no close contacts have been identified at Linden Christian School. No one is required to self-isolate from this exposure. Anyone who was in same cohort can continue to go to school and is recommended to self-monitor for symptoms and seek testing if symptoms develop.
École Henri Bergeron (363 Enfield Crescent)	October 27 and 28, 2020	November 4, 2020 - Letter to Parents/Guardians (pdf)
West Kildonan Collegiate (101 Ridgecrest Ave)	October 27, 2020	November 4, 2020 - Letter to Parents/Guardians (pdf)
Linden Christian School (877 Wilkes Ave)	October 27, 2020	November 4, 2020 - Letter to Parents/Guardians (pdf)
Kildonan-East Collegiate (845 Concordia Ave.)	October 26, 2020	November 8, 2020 - Letter to Parents/Guardians (pdf)

École South Pointe School (615 Kirkbridge Dr.)	October 26, 2020	A confirmed case of COVID-19 was in the school on Oct. 26 when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk overall for the school community. The infection is not believed to be acquired at school. Close contacts are advised to self-isolate and and seek testing if symptoms develop.
Anne Ross Day Nursery (511 King St)	October 26, 2020	November 3, 2020 - Letter to Parents/Guardians (pdf)
Henry G. Izatt Middle School (960 Scurfield Blvd.)	October 26, 2020	A confirmed case of COVID-19 was in the school on Oct. 26 when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk overall for the school community. The infection is not believed to be acquired at school. Close contacts are advised to self-isolate and and seek testing if symptoms develop.
Centre Scolaire Léo-Rémillard (1095 St Anne's Rd.)	October 26, and October 26 and 27, 2020	An additional two confirmed cases of COVID-19 were in the school, one on Oct. 26 and one on Oct. 26 and 27, when the individuals may have been infectious. Investigations are ongoing, but there are indications of transmission within cohorts at the school. Students and staff in the affected cohorts have been advised to start self-isolation (quarantine). Public health supports the school's decision to move to remote learning for the entire school.
Montrose School (691 Montrose St.)	October 26, 27, and 28, 2020	November 4, 2020 - Letter to Parents/Guardians (pdf)
Collège Jeanne-Sauvé (1128 Dakota St)	October 26, 27 and 28, 2020	November 6, 2020 - Letter to Parents/Guardians (pdf)
Island Lakes Community School (445 Island Shore Blvd.)	October 26, 27 and 28, 2020	November 5, 2020 - Letter to Parents/Guardians (pdf)

South Pointe School (615 Kirkbridge Drive)	October 26, 27 and 28, 2020	A confirmed case of COVID-19 was in the facility on Oct. 26, 27 and 28 when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk overall for the community. The infection is not believed to be acquired at facility. Close contacts are advised to self-isolate and seek testing if symptoms develop.
École Dieppe (530 Dieppe Rd.)	October 26, 27 and 28, 2020	November 1, 2020 - Letter to Parents/Guardians (pdf)
Garden City Collegiate (711 Jefferson Ave.)	October 26 to November 2, 2020	November 9, 2020 - Letter to Parents/Guardians (pdf)
The King's School (851 Panet Road)	October 26 to 30, 2020	A confirmed case of COVID-19 was on the school bus on Oct. 26-30 when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk overall for the community. The infection is not believed to be acquired at facility. Close contacts are advised to self-isolate and seek testing if symptoms develop.
Shaftesbury High School (2240 Grant Ave)	October 26 to 30, 2020	Confirmed cases of COVID-19 were in the school on Oct. 26 to 30 when the individuals may have been infectious. Based on the public health investigation, these exposures were assessed to be low risk overall for the community. The infections are not believed to be acquired at facility. Close contacts are advised to self-monitor and seek testing if symptoms develop.
Meadows West School (150 Inkster Garden Dr.)	October 26 to 30 and October 29 and 30, 2020	November 6, 2020 - Letter to Parents/Guardians (pdf)
Sister Macnamara School (460 Sargent Ave)	October 26 to 29, 2020	November 4, 2020 - Letter to Parents/Guardians (pdf)

École Romeo Dallaire (81 Chemin Quail Ridge)	October 26 to 28, 2020	A confirmed case of COVID-19 was in the school on Oct. 26-28 when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk overall for the school community. The infection is not believed to be acquired at school. Close contacts are advised to self monitor and seek testing if symptoms develop.
Grant Park High School (450 Nathaniel St.)	October 26 to 27, 2020	November 3, 2020 - Letter to Parents/Guardians (pdf)
École Christine-Lespérance (425 John Forsyth Rd)	October 26 and 28, 2020	November 4, 2020 - Letter to Parents/Guardians (pdf)
Shamrock School (831 Beaverhill Blvd.)	October 26 and 28, 2020	November 1, 2020 - Letter to Parents/Guardians (pdf)
Nelson McIntyre Collegiate (188 St Mary's Rd)	October 26 and 27, 2020	November 4, 2020 - Letter to Parents/Guardians (pdf)
Red River Valley Junior Academy (56 Grey St)	October 26 and 27, 2020	A confirmed case of COVID-19 was in the school on Oct. 26 and 27 when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk overall for the community. The infection is not believed to be acquired at facility. The cohort is advised to self-monitor and seek testing if symptoms develop.
Centre Scolaire Léo-Rémillard (1095 St Anne's Road)	October 26 and 27, 2020	A Confirmed case of COVID-19 was on the school bus on Oct. 26 and 27 when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk overall for the school community. The infection is not believed to be acquired at school. Close contacts have been advised to self-isolate and seek testing if symptoms develop.

Collège Louis-Riel (585, rue Saint-Jean-Baptiste)	October 26 and 27, 2020	A confirmed case of COVID-19 was in the school on Oct. 26 and 27 when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk overall for the school community. The infection is not believed to be acquired at school. Close contacts are being advised to self-isolate and seek testing if symptoms develop.++Public health advises that an outbreak has been declared at College Louis-Riel. The decision has been made to move the whole school to remote learning with the support of public health.
Amber Trails School (1575 Templeton Ave.)	October 26 and 27, 2020	November 2, 2020 - Letter to Parents/Guardians (pdf)
Collège Garden City Collegiate (711 Jefferson Ave)	October 26 and 27, 2020	November 2, 2020 - Letter to Parents/Guardians (pdf)
École Munroe Middle School (405 Munroe Ave.)	October 26 and 27, 2020	A confirmed case of COVID-19 was in the school on Oct. 26 and 27 when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk overall for the school community. Classroom contacts are being advised to monitor for symptoms and seek testing if symptoms develop. Close contacts of the case have also been identified and advised to self-isolate (quarantine).
Glenlawn Collegiate (770 St. Mary's Rd.)	October 26 and 27, 2020	November 1, 2020 - Letter to Parents/Guardians (pdf)
Sister MacNamara School (460 Sargent Ave.)	October 26 and 27, 2020	November 1, 2020 - Letter to Parents/Guardians (pdf)
Oakenwald School (666 Oakenwald Ave.)	October 26 and 27, 2020	November 1, 2020 - Letter to Parents/Guardians (pdf)

Grant Park School (450 Nathaniel St.)	October 23, and October 26 to 29, 2020	A confirmed case of COVID-19 attended the school on Oct. 23, and Oct. 26 to 29 when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low. The infection was not believed to be acquired at school. Close contacts have been identified and are self-isolating. The cohort has been advised to self-monitor for symptoms.
Shaftesbury High School (2240 Grant Ave.)	October 23 and 27, 2020	November 1, 2020 - Letter to Parents/Guardians (pdf)
Daniel McIntyre Collegiate (720 Alverstone St.)	October 23, 2020	A confirmed case of COVID-19 was in the facility on Oct. 23 when the individual may have been infectious. At this time, no close contacts have been identified and no one is required to self-isolate from this exposure. Cohort members are advised to self-monitor for symptoms and seek testing if symptoms develop.
École Viscount Alexander (810 Waterford Ave)	October 23, 2020	November 1, 2020 - Letter to Parents/Guardians (pdf)
École Garden Grove School (2340 Burrows Ave)	October 23 and 26, 2020	November 2, 2020 - Letter to Parents/Guardians (pdf)
Samuel Burland School (192 Burland Ave)	October 22, and October 21 and 22, 2020	October 30, 2020 - Letter to Parents/Guardians (pdf)
Luxton School (111 Polson Ave.)	October 22, 23 and 26 to 29, 2020	November 3, 2020 - Letter to Parents/Guardians (pdf)
Transcona Collegiate (1305 Winona St.)	October 22 and/or October 20, 2020	November 1, 2020 - Letter to Parents/Guardians (pdf)
Seven Oaks Child Day Care Centre Inc. (2300 McPhillips St.)	October 22 and 23, 2020	November 2, 2020 - Letter to Parents/Guardians (pdf)
St. Emile Catholic School (552 St. Anne's Rd.)	October 22 and 23, 2020	A confirmed case of COVID-19 was in the school on Oct. 22nd and 23rd when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk overall for the school community. Close contacts are being advised to self-isolate and seek testing if symptoms develop,

		effective today. No close contacts in the school have been identified.
Rainbow Day Nursery Inc. (Phase 2) (445 Island Shore Blvd.)	October 22 and 23, 2020	A confirmed case of COVID-19 was in the nursery on Oct. 22nd and 23rd when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk overall for the school community. Classroom contacts are being advised to self-isolate for symptoms and seek testing if symptoms develop, effective today.
Collège Louis-Riel (585, rue Saint-Jean-Baptiste)	October 22, 2020	A confirmed case of COVID-19 was on the school bus on Oct. 22 when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk overall for the school community. The infection is not believed to be acquired at school. Close contacts are being advised to self-isolate and seek testing if symptoms develop.++Public health advises that an outbreak has been declared at College Louis-Riel. The decision has been made to move the whole school to remote learning with the support of public health.
Glenlawn Collegiate (770 St. Mary's Rd.)	October 22, 2020	October 31, 2020 - Letter to Parents/Guardians (pdf)
École George-McDowell (366 Paddington Rd.)	October 22, 2020	October 30, 2020 - Letter to Parents/Guardians (pdf)
Transcona Collegiate (1305 Winona St)	October 21, 2020	A confirmed case of COVID-19 was in the school on Oct. 21st when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk overall for the school community. The designated cohort is advised to self-monitor and seek testing if symptoms develop.

Daniel McIntyre Collegiate (720 Alverstone St.)	October 21, 26, 27, 29 and 30, 2020	A confirmed case of COVID-19 was in the school on October 21, 26, 27, 29 and 30 when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk overall for the school community. No close contacts have been identified in the school but the cohort is advised to self-monitor and seek testing if symptoms develop.
St. John's-Ravenscourt (400 South Dr.)	October 21, 22, and October 26 to 29, 2020	October 31, 2020 - Letter to Parents/Guardians (pdf)
Pinkham School 765 (Pacific Ave Winnipeg)	October 21 to 23, 2020	A confirmed case of COVID-19 was in the school on Oct. 21st to 23rd when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk overall for the school community. Close contacts and the classroom are advised to self-isolate while the cohort is advised to self-monitor for symptoms and seek testing if symptoms develop.
Technical-Vocational High School (1555 Wall St.)	October 21 and October 22, 2020	October 30, 2020 - Letter to Parents/Guardians (pdf)
Gladstone School (500 Gertrude Ave)	October 21 and 23, 2020	October 29, 2020 - Letter to Parents/Guardians (pdf)
Gordon Bell High School (3 Borrowman Pl.)	October 21 and 22, and October 26 and 27, 2020.	November 2, 2020 - Letter to Parents/Guardians (pdf)
Fort Richmond Collegiate (99 Killarney Ave.)	October 21 and 22, 2020	November 1, 2020 - Letter to Parents/Guardians (pdf)
Collège Jeanne-Sauvé (128 Dakota St.)	October 21 and 22, 2020	October 31, 2020 - Letter to Parents/Guardians (pdf)
École Laura Secord School (960 Wolseley St.)	October 21 and 22, 2020	October 31, 2020 - Letter to Parents/Guardians (pdf)

Red River Valley Junior Academy (56 Grey St.)	October 21 and 22, 2020	A confirmed case of COVID-19 was in the school on Oct. 21 and 22 when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk. The infection was not believed to be acquired at school. At this time, no close contacts have been identified. No one is required to self-isolate from this exposure. Anyone who was in same class cohort is recommended to self-monitor for symptoms and seek testing if symptoms develop.
Tyndall Park School (2221 King Edward St.)	October 21 and 22, 2020	October 29, 2020 - Letter to Parents/Guardians (pdf)
Collège Louis-Riel (585, rue Saint-Jean-Baptiste)	October 21 and 22, 2020	A confirmed case of COVID-19 was in the school on Oct. 21 and 22 when the individual may have been infectious. Anyone who is a close contact has received a letter notifying that they are a close contact and been advised to start or continue self-isolation (quarantine). All other cohorts can continue to attend school in person.
St. John's High School (401 Church Ave.)	October 20, and October 22 and 23, 2020	October 30, 2020 - Letter to Parents/Guardians (pdf)
Arthur E. Wright School (1520 Jefferson Ave.)	October 20, and November 2 and 3, 2020	A confirmed case of COVID-19 was in the school on Oct. 30 and Nov. 2 and 3 when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk overall for the school community. The infection is not believed to be acquired at school. Close contacts of the case have been identified and advised to self-isolate (quarantine). The school will remain open to all other students and staff.
Institut collégial Vincent Massey Collegiate (975 Dowker Ave.)	October 20, 22 and 26, 2020	November 5, 2020 - Letter to Parents/Guardians (pdf)
École Guyot (400 Willowlake Cres.)	October 20, 21, 22 and 26, 2020	November 1, 2020 - Letter to Parents/Guardians (pdf)

École Christine-Lespérance (425, chemin John Forsyth)	October 20, 21 and 22, 2020	A confirmed case of COVID-19 was in the school on Oct. 20, 21, 22 when the individual may have been infectious. Based on the public health investigation, this exposure was assessed to be low risk overall for the school community. The infection is not believed to be acquired at school. No close contacts were identified.
