

COMMUNITY LIVING disABILITY SERVICES

Subject: **Day Service Fees**

ADULT DISABILITY SERVICES

PURPOSE

Day Service per diems are assigned to individuals attending departmentally approved and funded day services. Day Service per diems range from an established minimum to an established maximum depending on the needs of the individual and the type of day service option required.

Day Service per diems, disbursed to external agencies on behalf of individuals, purchase the type of day service option and support required to meet the goals and objectives established through the individual planning process (see Day Service Options – C88.2).

Rates

Day Services supports are funding on a per diem basis commensurate with the needs of the individual and the capacity of the service provider to deliver the required supports. Refer to Appendix A for the Day Services Invoice.
