Winnipeg:

The cost of a regular monthly bus pass for Winnipeg Transit will be increased from \$115.50 to \$119.35, effective January 1, 2026.

WINNpass:

Participants who are eligible to receive a monthly bus pass amount, as part of an approved plan, should have the full rate added to their monthly budget. Staff should remind participants about the low-income WINNpass option, which offers a monthly bus pass at a reduced rate, if they are not eligible for monthly transportation costs as part of an approved plan.

Post-Secondary Passes:

Participants attending a post-secondary institution may be eligible for a less expensive post-secondary bus pass. Staff should add funds to the participant's budget so that they can purchase their own pass from the institution. A list of participating institutions can be found on the City of Winnipeg's Transit website at <https://info.winnipegtransit.com/en/fares/say-hello-to-peggo/post-secondary-pass/#institutions>.
