PROPOSED RESOLUTION:

Mr. HAWRANIK – Accurate Budgets

3. WHEREAS Budgets are presented, debated and passed in the Legislature each year and the Estimates process scrutinizes proposed spending by government; and

WHEREAS if the Budget does not accurately portray total spending by government and the total cost of services provided by government, then Budget debate and Estimates become somewhat irrelevant; and

WHEREAS all spending by government and services provided by government should receive proper debate and scrutiny in the Legislature; and

WHEREAS the Provincial Government has overspent its last six budgets ending March 31, 2006, by total of \$834 million; and

WHEREAS \$834 million of spending by government did not receive any debate or scrutiny by the Legislature.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to present Budgets to Manitobans that accurately predict spending by Government and the total cost of services provided by government and to limit its spending to the maximum limits passed in the Budget except in exceptional circumstances or emergency situations.

NOTICE OF COMMITTEE MEETING:
