## **RESOLUTION:**

### **Mr. MARCELINO (Tyndall Park) – Calling on the Federal Government to Work with Manitoba**

**16.** WHEREAS the Provincial Government works with its federal partners regarding shared progressive values and priorities; and

WHEREAS it is important to Manitoba to have a federal partner that is at the table working for a progressive agenda that helps Manitobans; and

WHEREAS the Provincial Government is a government with progressive values and having progressive governments at the Provincial and Federal levels allows for more priorities to be accomplished; and

WHEREAS the Premier has called for a national inquiry into missing and murdered Indigenous women and girls and the Provincial Government looks forward to the Federal Government calling this inquiry; and

WHEREAS all Manitoba students have the right to a good education and it is anticipated that the Federal Government will provide full education funding and support federally funded on-reserve schools; and

WHEREAS the Provincial Government understands that affordable, accessible childcare supports families and allows children to get a strong start and looks forward to the new Prime Minister being an active partner in building a strong, public system rather than privatizing child care as called for by some; and

WHEREAS investing in infrastructure helps create good jobs and a federal partner will allow for more building infrastructure across Manitoba; and

WHEREAS the new Prime Minister has promised major new investments into northern and remote roads, such as the East Side Road and Freedom Road and the Provincial Government will be at the table to partner on those projects; and

WHEREAS Manitobans work hard and deserve to have income security when it's time to retire and the newly elected Prime Minister has committed to reversing the rollback of eligibility for OAS and CPP and increase the benefits seniors receive; and

WHEREAS Canadians, including Manitobans, take pride in having a universal health care system and the Provincial Government looks forward to having a new and fully engaged federal partner to help deliver more and better healthcare to Manitobans.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba congratulate the newly elected Government of Canada; and

BE IT FURTHER RESOLVED that the Legislative Assembly be urged to work closely with the Provincial Government and the Government of Canada to be an active partner in making life better for Manitoba families; and
