Welcome

Please consider this road map your invitation to explore the geographic diversity of Manitoba. Thousands of lakes and rivers weave their way through our prairies, parklands, boreal forest, and tundra.

Our map covers one of the largest undisturbed areas of northern boreal forest on the planet. It also features some of the biggest freshwater lakes in the world, and we are the only prairie province with a seaport.

I encourage you to travel often and travel safely in our beautiful province.

Blaine Pedersen
Minister, Manitoba Infrastructure

Bienvenue

Cette carte routière est votre invitation à explorer la diversité géographique du Manitoba. Des milliers de lacs et de rivières parsèment les prairies, les parcs, la forêt boréale et la toundra de notre province.

Notre carte couvre l'une des plus grandes zones nordiques de forêt boréale intacte de la planète. Elle montre aussi quelques-uns des plus grands lacs d'eau douce au monde et nous sommes la seule province des Prairies à posséder un port maritime.

Je vous encourage à voyager souvent et en toute sécurité dans notre belle province.
