Dear Ms. Whittmann:

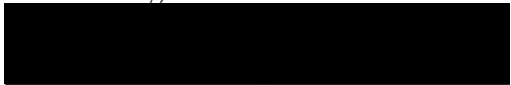

Re: Request to extend current terms and conditions of Manitoba Environment Act License 2191E to August 30th, 2029

The current Environment Act Licence 2191E expires on June 30th, 2024. We wish to extend the licence for five (5) years to August 30th, 2029, to match the extension to our Forest Management Licence Agreement.

Therefore, please accept this letter as formal application to extend the current terms and conditions of the existing Manitoba Environment Act Licence 2191E.

Please do not hesitate to contact me at 204-734-4102 if you have any questions or require any additional information with respect to this matter.

Sincerely,

Todd Yakielashek
Area Forest Manager
