Dear Sir/Madam:

Re: Proposed Environmental Conditions and Risk-Based Site Restoration Plan for 81 Berens Road, Thompson, Manitoba; Approval under the Contaminated Sites Remediation Act

This will acknowledge receipt of the Environmental Conditions and Risk-Based Site Restoration Plan for the above noted property (the site) dated July 2022 and prepared by Strata Environmental Services Inc.

This letter constitutes written authorization as specified under The Contaminated Sites Remediation Act, C.C.S.M, c. C205, s. 17.1 (1) for Greyhound Canada Transportation ULC to proceed with the remediation of the site as described in the Plan. Any change to the Plan must be approved by the undersigned prior to initiating the change.

It is requested that a Summary Report documenting the remediation is submitted to this office for review at the completion of the Plan.

It should be noted that the position of Manitoba Environment, Climate and Parks as stated in this letter is based on the information provided to this office by Strata Environmental Services Inc. and relates only to the matters within the scope of the Plan submitted by Strata Environmental Services Inc.

If you have any questions regarding this letter, please contact Warren Rospad, Contaminated Sites Program Specialist at 204-330-2685 or warren.rospad@gov.mb.ca. Please note that electronic submissions are preferred for documents and correspondence.

Sincerely,

Kristal Harman
Director
