Dear Sir/Madam:

**Re: 81 Berens Road, Thompson, Manitoba – Revocation of Designation under the Contaminated Sites Remediation Act**

This letter is to advise you that the designation of 81 Berens Road, Thompson, Manitoba (the site) as an impacted site, has been revoked under section 7.2(1) of The Contaminated Sites Remediation Act, C.C.S.M, c. C205.

Environment and Climate also acknowledges receipt of the report entitled "*Soil Gas Quality Assessment and Groundwater Quality Assessment*" prepared by Strata Environmental Services Inc. dated October 1, 2023 for the site.

Environment and Climate concurs that the report submitted adequately documents the remedial activities that have been carried out at the site and is in accordance with the submitted and approved Remediation Plan.

It is the position of Environment and Climate that no further remediation is required on this site at this time. In the event that any residual contamination remaining on the site results in some form of exposure concern in the future, the responsible party will be directed by this department to initiate any remedial measures.

It should be noted that the position of Environment and Climate as stated in this letter is based on the information provided to this office by Strata Environmental Services Inc. and relates only to the matters within the scope of the remedial activities conducted by Strata Environmental Services Inc.. No additional site monitoring was performed by Environment and Climate. Please note that electronic submissions are preferred for all documents and correspondence.

If you have any questions or would like to discuss further, please contact Warren Rospad, Contaminated Sites Program Specialist, at 204-330-2685 or [ContaminatedSites@gov.mb.ca](mailto:ContaminatedSites@gov.mb.ca).

Sincerely,

Yvonne Hawryliuk  
A/Director
