Attention: Kent Patterson

Dear Mr. Patterson:

**Re: Contaminated site
Cresthaven Service & Lunch
Prov. Trunk Highways 7 & 67
Stonewall, MB, R.M. of Rockwood
Your location # 67086**

Please be advised that Manitoba Environment has identified you as the party having care and custody of the contaminant involved in the incident described above. Under the terms of Section 30 (4) of The Dangerous Goods Handling and Transportation Act, the party having care and custody of the contaminant is liable for any costs incurred by Manitoba Environment during the response to the incident.

At the earliest possible date, an invoice will be issued to your attention for recovery of departmental costs. The department will issue invoices on a quarterly basis for any outstanding charges during longer term incidents.

If you have filed an insurance claim as a result of this incident, please ensure that the adjuster is aware of this cost recovery action.

Sincerely,

Rita Côté
Regional Office Administrator
