Dear Mr. Mackelson:

Re: Decommissioning of SCMS Inc. bulk materials handling facility, 2445 Ferrier Street, Winnipeg

Manitoba Sustainable Development acknowledges receipt of a remediation plan for the above-noted site, prepared by Pinchin dated December 6, 2017. The remediation plan satisfies item number 10 of the approved Site Decommissioning Plan for SCMS Inc.'s operation at 2445 Ferrier Street.

In order to close CEC Order No. 913, Manitoba Sustainable Development will require submission of documentation demonstrating completion of the Site Decommissioning Plan as approved in a letter dated June 5, 2017. This documentation includes:

- Remediation closure report
- Proof of receipt of contaminated soils at licensed treatment facilities
- Proof of receipt of hazardous wastes (such as used oil) by licensed carrier/receiver

Should you have any questions regarding the above, please feel free to contact Environment Officer Alvin Dyck at 204-470-7548.

Yours sincerely,

Don Labossiere
Director, Environmental Compliance and Enforcement
