Star Building Materials
16 Speers Road
Winnipeg, MB R2J 1L8

May 26, 2020

Dear Mr. Kennedy:

Re: Proposed Remediation Plan for 16 Speers Road, Winnipeg, Manitoba;
Approval under the Contaminated Sites Remediation Act

This will acknowledge receipt of the Remediation Plan for the above noted property (the site) dated April 23, 2020 and prepared by Wood Environment & Infrastructure.

This letter constitutes written authorization as specified under The Contaminated Sites Remediation Act, C.C.S.M, c. C205, s. 17.1 (1) for Star Building Materials to proceed with the remediation of the site as described in the Remediation Plan. Any change to the Remediation Plan must be approved by the undersigned prior to initiating the change.

It is requested that a Summary Report documenting the remediation is submitted to this office for review at the completion of the Remediation Plan.

It should be noted that the position of Manitoba Conservation and Climate as stated in this letter is based on the information provided to this office by Wood Environment & Infrastructure and relates only to the matters within the scope of the Remediation Plan submitted by Wood Environment & Infrastructure.

If you have any questions regarding this letter, please contact Warren Rospad, Contaminated Sites Program Specialist at 204-330-2685 or warren.rospad@gov.mb.ca. Please note that electronic submissions are preferred for documents and correspondence.

Sincerely,

Shannon Kohler
Director
