March 24, 2023

Dear Sheldon Stott:

Re: Proposed Risk Management Plan
SW-35-14-15-W1, Neepawa, Manitoba
Approval under the Contaminated Sites Remediation Act

This will acknowledge receipt of the Risk Management Plan for the above noted property (the site) dated March 16, 2023 and prepared by Stantec Consulting Ltd.

This letter constitutes written authorization as specified under The Contaminated Sites Remediation Act, C.C.S.M, c. C205, s. 17.1 (1) for HyLife Foods to proceed with the remediation of the site as described in the Risk Management Plan. Any change to the Risk Management Plan must be approved by the undersigned prior to initiating the change.

The site will remain designated as an impacted site pursuant to The Contaminated Sites Remediation Act, C.C.S.M, c. C205 and remains on the impacted site registry until such time the contaminant is not at a level which may pose a threat to human health or safety or to the environment.

It is requested that a Summary Report documenting the remediation is submitted to this office for review at the completion of the Risk Management Plan.

It should be noted that the position of Manitoba Environment and Climate as stated in this letter is based on the information provided to this office by Stantec Consulting Ltd. and relates only to the matters within the scope of the Risk Management Plan submitted by Stantec Consulting Ltd.

If you have any questions regarding this letter, please contact Carolyn Baldwin, Contaminated Sites Coordinator, at 431-374-6546 or carolyn.baldwin@gov.mb.ca. Please note that electronic submissions are preferred for documents and correspondence.

Sincerely,

Kristal Harman
Director
