------------------------	-------------------------	-------------------------

## OFFENCE: / INFRACTION :

Any person who contravenes or violates any provision of this Act or the regulations or fails to comply with any provision of any order, licence, permit issued by the minister, director, or environment officer made pursuant to this Act or the regulations, or an order of a judge made pursuant to section 36 is guilty of an offence.

## INSTRUCTIONS: / INSTRUCTIONS :

Immediately cease the ongoing transfer of wastewater to the wastewater treatment lagoons operated by R3 Innovations Inc. located at SW ¼ 35-14-15 WPM in the Town of Neepawa.  
Engage the services of a qualified environmental consultant acceptable to the Director, to undertake an investigation of HyLife Foods LP hog processing plant and R3 Innovations Inc. wastewater treatment plant to determine the challenges in the delivery and treatment of wastewater collected at manhole locations and wet wells throughout the wastewater distribution system. An engineering report describing in detail the observations and results concluded by virtue of the investigation, is to be provided to the Director by no later than October 31, 2019, unless so otherwise approved in writing by the Director. A remediation plan in the form of a detailed engineering report describing recommended modifications is to be provided to the Director by no later than December 31, 2019, unless so otherwise approved in writing by the Director.
