Remediation Action System
Our File EMS Operation 8977**

Thank you for complying with our e-mail request of November 24, 2003.

Manitoba Conservation has reviewed your letter report with attachments dated December 11, 2003. In order to consider your request for decommissioning of the groundwater extraction and treatment system, Manitoba Conservation requests that Consultant Reports documenting the sampling, including the lab reports be forwarded to this office as soon as possible. We would accept as a minimum any and all Consultant reports produced for the Enbridge Pipelines West Souris Station from 1999 onward.

For your information, Manitoba Conservation is tracking this site in our database as Operation 8977.

It should be noted that the position of Manitoba Conservation as stated in this letter is based on the information provided to this office by Enbridge Pipelines Inc.

Please don't hesitate to call if you have any questions.

Sincerely,

Joan La Rue-van Es, M.Sc.
